RENU 28™

USAGE GUIDE

5 STEPS TO A BETTER YOU.

1 WASH & CLEAN.

Before using RENU 28, wash and clean your face or any other areas where you will use the product. RENU 28 will not interfere with any other skincare products that you use so it is safe to incorporate this product into your daily skin regimen.

2 SHAKE.

Briefly shake the tube before each use. It is important to agitate the tube before opening to prevent fluid buildup.

3 APPLY.

Apply RENU 28 to any desired areas of the face or body by rubbing the product in until fully absorbed. It is recommended that you use the product at least twice daily. Please note it is important to avoid eye contact or ingestion.

4 WIPE EXCESS.

Wipe off any excess product.

5 FOR BEST RESULTS.

For best results, it is recommended that you apply RENU 28 twice daily, both in the morning and at night. You can expect to see results as quickly as 28 days later!
